

How to expand the Job List Area

GP Controller for ApeosPro C810/C750/C650

Version 1.0

FUJIFILM Business Innovation Corp.

Overview

This exercise will demonstrate the ability to expand the job list area of GP Controller. The user can easily open/close each window. This exercise will also demonstrate how to change the shortcut buttons to a smaller style and to an expanded job list.

Objective

By the end of this exercise users will be able to:

- Navigate the feature on the GP Controller
- Maximizing the job list layout by closing each window
- Change the shortcut buttons to smaller ones

Minimize the Status Area and Job Filter/Thumbnail Window

1. Open PrintStation and select the UP (arrow) icon to close the Status Area.

2. The Status Area is now closed.
