

# How to Print Crease Marks

## Revoria Flow PC11 for Revoria Press PC1120

Version 1.0

FUJIFILM Business Innovation Corp.

#### Overview

This exercise will demonstrate the ability to make a crease effect on a job using the Revoria Flow PC11. The user can set crease finishing options using a preset. This exercise will also demonstrate the way to configure custom crease settings while previewing the effect.

### Objective

By the end of this exercise users will be able to:

- Navigate the feature on the Revoria Flow PC11
- Select a crease type from preset settings
- Configure a custom crease setting

A physical crease can be applied when the <u>Optional</u> Crease/Two-Sided Trimmer is installed on the printer.

### Configure Crease Setting using Preset Type
